

## Photograph Permission Form

The use of photographs is an important tool which is widely used in play settings for recording, sharing and displaying activities that your children have undertaken. At Get Set Play we take the issue of child protection very seriously and we will never knowingly publish an image of your child without your consent.

Photographs of children attending the Club will only be taken by Club staff using the Club's camera, except with the managers' express permission (for example if we get an external photographer in to record a specific event).

It is important to us that we share the fun the children have had at Get Set Play. We would like to email you photographs of your child on the days they have attended. If you would like to receive these, please tick the daily emails to share with parents (below) and provide an email address.
