Welcome to Get Set Play!

Please find enclosed all the information we think you will need and we look forward to welcoming your family to our new and exciting holiday club.

We are a small, friendly school holiday play scheme run by two teachers who have a passion for teaching, learning and having fun! We offer quality childcare in a safe and friendly setting and strive to give children fun and exciting experiences with opportunities for learning and child development. As well as time for indoor and outdoor free play, each day will comprise of fun structured activities including art, craft, drama, music, cookery and sport with an overarching theme to the week.

As mums ourselves, we understand the need for flexibility within childcare so offer half days, full days and extra hours and these can be booked in any combination to suit your family life. We are open from 8am-5.30 daily during the school holidays (excluding bank holidays).

During the day, the children will be provided with healthy snacks and drinks and we ask that you please send your child with a healthy lunchbox. Please ensure any allergies are recorded on the medical form enclosed.

Please take some time to read the information enclosed and complete the necessary paperwork and return it by post to 16 Belmont street, Southsea PO5 1ND or email to getsetplay1@gmail.com. Please note we will not be able to allow children to attend Get Set Play without the necessary forms being completed before hand.

If you have any questions, please do not hesitate to email or phone us
